Country of Origin: United Kingdom

Product Overview

Traditional manual changeable sign systems inspired by classic American cinema and marquee signage. Product range includes Changeable Letter Packs, Letter Channels (Rails), Fixture Board Components and Bespoke Changeable Signs.

Materials

Rigid plastic letter tiles, extruded PVC letter channels, aluminium composite material (ACM), clear acrylic (Perspex®) weather screens and self-adhesive fixing strips (selected products).

Intended Use

For manual changeable message displays in hospitality, retail, education, sports clubs, churches, community venues and commercial premises.

Customs Classification

Product	Description	HS	EU TARIC
Changeable Letter Tiles	Plastic changeable sign letters	39269097	3926909790
Letter Channels (Rails)	PVC letter channels for changeable signs	39269097	3926909790

Safety

- Not a toy. Keep small components away from young children.
- Inspect components before installation.
- Use suitable mechanical fixings for outdoor installations.
- Fit a clear protective weather screen where required.

Care & Maintenance

Clean with a soft cloth and mild soapy water. Do not use abrasive cleaners. Periodically inspect outdoor installations.
